

25 April 2016

## *Errata to Revisions to the Basel III leverage ratio framework – consultative document*

The following table specifies the corrections made to the consultative document per revisions released on 25 April 2016.

<b>Paragraph (per revised numbering)</b>	<b>Correction made</b>	<b>Reason for correction</b>
7	Removed bold text formatting for the term "Basel II framework"	This term was included in the original January 2014 text.
10	Deleted struck-through text "or accounting valuation adjustments (eg accounting credit valuation adjustments)" from the second sentence of the paragraph	This text was duplicative of identical wording that was correctly included and struck-through in the first bullet of the paragraph.
12	Removed strike-through text formatting for the text in the three bullet points	These bullets feature new text that was intended for inclusion in the revisions to the paragraph.
16	Removed strike-through text formatting for the text in the three bullet points	These bullets feature new text that was intended for inclusion in the revisions to the paragraph.
52 (per original numbering)	Deleted the strike-through text of the penultimate bullet point: "(eg the deduction of general provisions for on-balance sheet assets as set out in paragraph 12)"	This text was neither in the original January 2014 text nor intended to be included in the proposed revisions to the framework.
57 (per original numbering)	Deleted the strike-through text of the explanation of Table 3 row number 1: "net of specific and general provisions as per paragraph 12"	This text was neither in the original January 2014 text nor intended to be included in the proposed revisions to the framework.
57 (per original numbering)	Revised the strike-through text of the explanation of Table 3 row number 2 to reference paragraph 16 (not paragraph 136)	This corrects a typo in order to conform the strike-through text to the original January 2014 text.
