## Introduction

### 60.1

The disclosure requirements for operational risk are set out below.

#### Operational risk disclosure requirements

**TABLE.1**

|                         |      |                                                                                                                                                                                                                                                                                                           |
|-------------------------|------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Qualitative disclosures | (a)  | The approach(es) for operational risk capital assessment for which the bank qualifies.                                                                                                                                                                                                                    |
|                         | (b)  | Description of the advanced measurement approaches (AMAs) for operational risk, if used by the bank, including a discussion of relevant internal and external factors considered in the bank's measurement approach. In the case of partial use, the scope and coverage of the different approaches used. |
|                         | (c)* | For banks using the AMAs, a description of the use of insurance for the purpose of mitigating operational risk.                                                                                                                                                                                           |

\*Fulfilling this requirement is a condition for use of the particular approach (AMA) for the calculation of regulatory capital.
