### Conference

Secretariat members will be available throughout the conference for assistance and as a contact point for all incoming messages to participants. They will be located in the back office next to the conference room.

#### *Conference presentations*

Presentations will be posted on the Annual Conference's password protected website before the conference. Please use the login details provided by the Conference Secretariat prior to the meeting. Login details will be also available in the folder handed out by our Secretariat members before the event.

Presentations will be posted shortly after the conference on the public BIS website (after revision and again subject to authorisation by the authors and discussants).

#### *Wi-Fi*

To connect to the hotel's wireless network, select the *Dolder* network from your Wi-Fi settings. The log-in details are as follows:

Log-in: BIS  
Password: BIS2019

#### *Partners/spouses*

Partners/spouses are welcome to attend the various social events (lunch, excursion and dinners).

#### *Dress code*

Given the expected hot weather, we would like to encourage a more informal dress throughout the conference and social events.
