

3 December 2018

Workshop on the “Use of Financial Accounts”

Istanbul, Turkey, 18-20 March 2019

CALL for PAPERS

The event is organized jointly by the Irving Fisher Committee on Central Bank Statistics (IFC) of the Bank for International Settlements (BIS) and the Central Bank of the Republic of Turkey (CBRT) and will take place on 18-20 March 2019 in Istanbul, Turkey.

This workshop will mainly focus on the user side of financial accounts, to promote the understanding of financial accounts and their use for research and policy purposes. It will also be an occasion to review recent developments in international initiatives in the field of national accounts, especially in the context of the Data Gaps Initiative endorsed by the G20 and in close coordination with the International Organizations involved. There will be distinguished speakers from IMF, BIS, ECB, OECD and national central banks.

This call for papers invites submissions of presentations on the use of financial accounts. Papers presented at the seminar will be published in a special issue of the IFC Bulletins series.

Please send the title and abstract of your paper by email by end-December 2018 to the contact addresses below. Authors of papers accepted for presentation will be notified by 15 January 2019. Presentations are expected by mid-March 2019.
