

Regional Statistics Conference

3-5 JUNE 2026 – MALTA

Be part of the first ISI Regional Statistics Conference in Europe!

Enjoy three days of inspiring sessions, discussions, and networking with statisticians and data scientists from various statistical backgrounds.

The programme explores a diverse range of topics in statistics and data science, from traditional methods to their links with artificial intelligence, with a focus on ethics, innovation, and social impact.

- ✓ 3 Inspiring Conference days
- ✓ Over 200 Scientific Talks
- ✓ Around 300 delegates
- ✓ Excellent networking opportunities
- ✓ Short Courses on 2 June

Venue
University of Malta, Valletta
