

8 February 2024

Agenda:

Cross-border payments interoperability and extension (PIE) taskforce

Virtual meeting on 15 February 2024 (13.00-15.00 CET) via WebEx

1. Opening (13:00 – 13:10)

- The Chair will welcome and set out the objectives of the call.

2. Progress of the G20 cross-border payments work (13:10 – 13:30)

- The secretariat will provide an overview on the 2023 monitoring survey among central banks.
- PIE taskforce members will be updated on the FSB Cross-Border Payments Summit with senior executives from the private sector, and the status, work and interactions with other relevant groups.

3. Practical actions to enhance cross-border payments – task teams (13:30 – 14:40)

- The leads of the four task teams will present the progress regarding the planned tasks, key deliverables and timeline of their task teams.
- PIE taskforce members to provide feedback and exchange views on the proposed task teams' plans in view of forming a concrete and deliverable 2024 programme plan.

4. Compilation of industry initiatives and other relevant developments (14:40 – 14:50)

- An update will be provided on the compilation of industry initiatives submitted to date.
- Discussion on next steps regarding collection of industry initiatives (eg review of initiatives, possible success factors and dependencies).
- Members to inform PIE taskforce about relevant developments.

5. Next steps and AOB (14:50 – 15:00)

- The secretariat will showcase an online discussion forum, which PIE taskforce members and task teams could use to interact in-between meetings.
- The secretariat will inform the PIE taskforce about the timing of the subsequent meeting.
