<sup>1</sup> The statistical tables can be found at [www.bis.org/statistics/secstats.htm](http://www.bis.org/statistics/secstats.htm). Table C1 is omitted here, as it presents a summary of the information in Table C3. Individual country observations may differ from the dimensions listed. The online documentation (metadata and reporting practices) provides further detail. <sup>2</sup> Data collected as part of a survey designed by the Committee on the Global Financial System (CGFS) working group on financial stability and local currency bond markets. <sup>3</sup> Average original and remaining maturity in years. <sup>4</sup> Debt securities issued by residents in their respective domestic market. <sup>5</sup> Debt securities issued by non-residents in all markets. <sup>6</sup> Cross breakdowns available. <sup>7</sup> Debt securities issued by residents in all markets. <sup>8</sup> Additional breakdowns available.
