

We are pleased to provide this Supplier Portal for your use, subject to this Disclaimer which is applicable to all users as well as the entity or organization they represent (collectively referred to as "You"). Please note that the Supplier Portal is a cloud based service operated by Oracle. Please refer to Oracle's Legal Notices (available under <https://www.oracle.com/legal/privacy/>) for further information in respect of collection and use of your personal information. All personal information collected by us will be treated confidential and will not be passed on to third parties and will only be used for purposes consistent with the purpose of the Supplier Portal or on the Supplier Portal itself.

BY USING THE SUPPLIER PORTAL, YOU INDICATE YOUR AGREEMENT TO BE BOUND BY THIS DISCLAIMER. Unauthorized use of the Supplier Portal, including but not limited to, unauthorized entry or attempted entry, misuse of any information available in or through the Supplier Portal, or illegal conduct, is strictly prohibited. You agree that You are only authorized to use the Supplier Portal for your own internal business use and that You shall not duplicate, download, publish, modify, or otherwise distribute Supplier Portal material other than to review and manage supplier account information. When you register through the Supplier Portal, You will be issued an account which will have an assigned user name and password that should not be shared with others. You are solely responsible for all activities that occur under your password or account or as result of your access to the Supplier Portal. You agree to notify us immediately of any unauthorized use of your password or account. You are responsible to request deactivation of your account upon leaving the supplier organization to which it was provided. We will not be responsible for any loss or damage arising from your failure to comply with this Disclaimer.
